CERTIFICATE OF COLLABORATION

This is to certify that the Lansdowne Cantonment Board has collaborated with Child Chapter Association in implementing a child safety initiative focused on child abuse prevention and awareness through the comic storybook *Raise Your Voice*.

Under this collaboration, the *Raise Your Voice* comic storybook—an initiative developed by Child Chapter Association—has been distributed for free to students of Classes 2 to 6 in schools across the Lansdowne Cantonment area, with the entire cost of printing and distribution borne by Child Chapter Association.

The initiative educates children on personal safety, good and bad touch, unsafe situations, self-protection, and the importance of speaking up and reporting to trusted adults. It also instills essential knowledge and confidence in children to safeguard themselves in adverse situations, reinforcing the belief that prevention and awareness are key to eradicating child abuse from society.

The Lansdowne Cantonment Board affirms that no child should ever suffer in silence, that every child is precious, and that safeguarding children is not only a moral obligation but a national responsibility. In this regard, the Lansdowne Cantonment Board sincerely appreciates the dedicated efforts of Jakeer Hussain Shaik, Child Rights Activist, Author of *Raise Your Voice* Comic Storybook and Founder of Child Chapter Association (a Section 8 registered non-profit organisation), for his outstanding contribution to child abuse prevention and awareness through this initiative.

This certificate is issued in recognition of the successful collaboration and valuable contribution towards building a safe, informed, and secure childhood.
